

MANOR HOUSE

Issue 27 (4 monthly)

Oct 2018

Dear Relatives and friends, we think you might agree that we have experienced a summer to remember with all the usual seasonal activities such as National flower shows, village fetes, county shows, sailing and Wimbledon all appearing to be hugely enjoyed this year due to the beautiful weather and that 'summer feeling'. At Manor House we relished the glorious warm days in some form or another. Like everyone, we had a challenge to keep cool but managed brilliantly as a team coping with the heat.

STAFF AND TRAINING

Since our last newsletter we are pleased to announce that Erin and Abi have accepted promotion to senior care Congratulations to both! We also welcome to the team, Vicky, Kristina, Tracy, Marcel and Dimitris who are on track with their in-house inductions with Marina and Alice. Caty, Elena and Denisa have all started Diplomas in health and social care level 3 so we wish them well and happy researching! Marina and Alice have attended fire marshal training recently in Norwich confirming fire safety at our homes. They have also carried out manual handling refresher courses, health and safety, infection control, safeguarding and food hygiene refresher training.

EVENTS AND ACTIVITIES

Staff and residents had a lovely time on 24th July when the managers organised a surprise party for everyone! Our summer fete raised £140.00 for our resident's amenity fund. Thank you for all the donated raffle prizes and for coming along. We think the strawberries and cream and Pimms was a great success! It was just too hot to party outside. With it being much cooler in the lounge, residents were able to enjoy the entertainment. Adriana adopted the role of ice-cream lady, serving cones to everyone without them melting. Manor House would like to thank Danielle, our Chiropody professional, who despite having a new baby boy raised £45.00 for our resident's amenity fund which was very kind of her. Our warmest congratulations are sent to two couples who celebrated diamond wedding anniversaries this summer. 60 years married, wonderful!
